Del Amo Boulevard Work Set

Plans for the improvement of a 1.5 mile section of Del Amo Boulevard in the Dominguez area have been approved, Supervisor Kenneth Hahn said today.

In addition, Avalon Boulevard will be improved between Turmont Street and the Dominguez Channel. Contract bids will be opened by the Board on March

14, 1967, and construction is slated for completion in June, Hahn said.

WORK ON Del Amo Boulevard will consist of providing a four-lane highway with a raised median divider strip to join the curb and gutter recently constructed by the subdivider.

Traffic control signals and highway safety lighting will be installed at the Del Amo-Avalon Boulevard intersection.

THE IMPROVEMENT ON

Avalon Boulevard will consist of extending the existing pavement on both sides of the roadway to join existing curb and gutter and constructing divider curbs on a portion of the project.

Hahn said the project is a phase in the proposed construction and improvement of the 2.5-mile stretch of Del Amo Boulevard between Avalon Boulevard and Alameda Street. The construction of the portion of Del Amo Boulevard from Central Avenue to Wilmington Avenue was completed in January.

State Revokes Beer License; Order Stayed

Capitol News Service

SACRAMENTO—The state Department of Alcoholic Beverage Control has ordered the revocation of the on-sale beer license of Emil C. Hurst, at the Showboat, 1508, Cabrillo Ave., but has stayed the revocation on the condition no further violations occur for one year.

The licensee was charged with permitting solicitation for and sale of dangerous drugs on the licensed premises.

Five Held For Drug Violations

Five persons, including two juveniles, were arrested here Sunday evening on suspicion of possession of narcotics and police seized more than 100 capsules.

The three adults taken into custody were:

Robert Gerald Chatterton, 19, of 2024 W. 262nd St., Lomita.

Michael Lee Butler, 20, of 2434 1/2 W. 250th St., Lomita.

Leonard Bert Gilhausen, 20, of 24711 Walnut St., Lomita.

and a 16-year-old Lomita boy also were taken into custody. Torrance police said they first saw the five persons in a car driving on Pacific Coast Highway near Newton Street at a very slow rate of speed. Officers said the driver, later identified as Gilhausen, extended his arm, as if to signal, and drop a package when they first signaled the car to stop.

The package was recovered and found to contain three red capsules believed to be narcotics, and a plastic bag.

officers reported. Two similar capsules were found in the vehicle and 108 red and blue capsules were found on the ground near the car.

Siren Test Due Friday

The combined civil defense warning sirens of the City and county of Los Angeles will be sounded Friday at 10 a.m. in the customary month-end test of the system, Sheriff Peter J. Pitchess, said today.
